MR. MICHAEL ONYURA**

**Distinguished Staff,
Invited Guests,
LADIES AND GENTLEMEN:**

I would like to thank the Commissioner General, Mr. M. G. Waweru, for his remarks, and to all of you for making this function a success. At this time of the year, we usually send holiday wishes to our friends, family and colleagues, and take stock of where we have reached if we made any resolutions earlier in the year. The Annual Staff Party is a platform where all our staff get together in a function that reflects and promotes the family spirit among KRA staff.

As members of the KRA Board, and as management, we also get a chance to interact with staff at a personal level, so that we can share ideas on how to go forward with our corporate agenda in the coming year. I am very proud to chair the Board of an organisation that stands tall in the country, an organisation that truly has no peer in terms of the achievements we have made. Our staff are our greatest assets, and we congratulate you for the good performance, your dedication and the distinguished service given to our broad-based clients.

If you have done well in the past, you have to ensure that you continue doing well, and exceed the expectations of our different customers. In our informal interactions with members of the public and official meetings with other government agencies including our principal the Ministry of Finance, we always assure them that we will continue surpassing our revenue and other set targets. I would like to urge you to continue working hard so that KRA can maintain its leadership position in the country, the region and beyond.

Since we are getting close to the holiday season, I would like to wish you all happy holidays and a prosperous new year 2006.

Thank you.
